### Hot Weather Hints

A Comment by the National Federation of State High School Associations and the Committee on the Medical Aspects of Sports of the American Medical Association.

Early fall football practice frequently is conducted in very warm and highly humid weather in many parts of the United States. Under such conditions, special precautions should be observed. Otherwise, the athlete is subject to:

- a) Heat Cramps, depletion of electrolytes
- b) Heat Fatigue, depletion of salt and water due to sweating
- c) Heat Exhaustion, excessive depletion of salt and water
- d) Heat Stroke, overheating from breakdown of the sweating mechanism

Heat cramps are only temporarily disabling, but the moment of occurrence may be significant.

Heat fatigue dulls the athlete's skillful alertness and makes him more vulnerable to injury. The other two heat illnesses can result in serious physical harm and even death; both are preventable.

Heat exhaustion and heat stroke are preventable only by careful control of various factors in the conditioning program of the athlete. Basic, of course, is adequate health history and health examination prior to participation in practice. With the start of fall practice, it is essential to provide for gradual acclimation to hot weather activity. Equally important is the need to adjust salt and water intake to weather conditions

As the athlete becomes accustomed to hot activity, he perspires more freely (and thus dissipates body heat) and excretes less salt (and thus conserves sodium). With a graduated training regimen, such acclimation can be expected to take place over a period of about one week.

The old idea that water should be withheld from athletes during workouts has no scientific foundation. In fact, such restriction, by depleting water in the body, can lead to heat fatigue and serious illness. During exercise in the heat, it is essential to replace - at least hourly the water lost by perspiration.

Salt also needs to be replaced daily, particularly during the acclimation period. Extra salting of the athlete's food within the bounds of taste will accomplish this purpose. Salt tablets, particularly on an empty stomach, can be irritating and may be poorly absorbed. Adding one teaspoon of salt to six quarts of flavored water used for drinking during hot-weather workouts offers a nother approach.

Even after acclimation, it is advisable to alternate periods of strenuous exercise with periods of rest during hot weather. Also, it is important for the coach to observe his athletes carefully for signs of lethargy, inattention, stupor, awkwardness, or unusual fatigue. Symptoms of water and salt depletion may include sluggishness, headache, nausea, hallucinations, and/or weak and rapid pulse. If heat illness is suspected, prompt attention to recommended emergency procedures outlined at the end of this statement may have vital importance.\*

The following suggestions are offered to help coaches prevent heat exhaustion and heat stroke during hot-weather athletic activity.

- 1) Require a careful medical history and checkup prior to the beginning of practice.
- 2) Schedule workouts during cooler morning and early evening hours in hot weather. (Heat exhaustion and heat stroke can occur in the shade.)
- 3) Acclimate athletes to hot-weather activity by carefully graduated practice schedules.
- 4) Provide rest periods of 15 to 30 minutes during workouts of an hour or more in hot weather.
- 5) Supply clothing that is white to reflect heat, brief, loose and comfortable to permit heat escape, and permeable to moisture to allow heat loss via sweat evaporation.
- 6) Furnish extra salt and water in recommended amounts during hot weather.
- 7) Watch athletes carefully for signs of trouble, particularly interior linemen and the determined athlete who may not report discomfort.
- 8) Remember that temperature and humidity, not the sun, are the crucial factors. Measuring the relative humidity, by use of a sling psychrometer on the field, is advantageous in this regard.\*\*
- 9) Know what to do in case of such an emergency, including immediate first aid practices and pre-arranged procedures for obtaining medical care.
- 10) Outlaw the hazardous warm weather use of rubberized apparel or other dehydration devices by players.

Some teams encounter hot weather during the season either through interseasonal travel or following an unseasonable cool period. By this time, the athlete should be physically fit; nevertheless, they will not be environmentally fit. Coaches who face this situation are advised to schedule practices preceding the game at the warmest time of the day, to diligently subscribe to the other recommendations above, and to substitute during the game more frequently than normal. The result will benefit the team's performance as well as the health of the athletes.

\* First Aid Chart for Athletic Injuries, American Medical Association, 1965;

#### HEAT ILLNESS:

**Heat Stroke** — Collapse - with dry warm skin - indicates sweating mechanism failure and rising body temperature. **THIS IS AN EMERGENCY: DELAY COULD BE FATAL.** Immediately cool athlete by the most expedient means (immersion in cool water is a good method). Obtain medical care at once.

**Heat Exhaustion** — Weakness - with profuse sweating - indicates state of shock due to depletion of salt and water. Place in shade with head level or lower than body. Give sips of dilute salt water in conscious. Obtain medical care at once.

## **CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?**

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.
2. Require players to be physically fit and well conditioned before engaging in contact.
3. Do not allow a player with an injury to participate until he has medical approval to do so.
4. Make sure equipment is adequate, in good condition, and that it is properly worn.
5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.
6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.
7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.
8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.

Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c, 1 reel, \$2.00.

Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

GOAL TO GOAL, 28 min.; color, \$115.00; black & white, \$75.00.

This film provides a dramatic visual approach to a better understanding of the rules of football for players, coaches, officials and spectators. Special attention is given to the passing and kicking games as well as such other areas of the rules as blocking restrictions, snapping infractions, the neutral zone, legal and illegal shift and motion.

PRECISION FOOTBALL is a 16 mm, 28 minute, sound, color (or black and white) film.

This film provides a new dimension to the understanding of the rules. It is designed for coaches, officials, players and fans, and promotes emphasis in the following areas: scrimmage violations, pass interference, encroachment, free kicks, false starts, live and dead ball fouls, butt clocking, face tacking, clipping, batting the ball, running plays and pass situations. This new motion picture will be an asset to any sports information library.

**POINT OF CONTACT—BLOCKING AND TACKLING TECHNIQUES**, 17 min., color, 17 min., color, 16mm.

This picture was produced by the National Federation of State High School Associations to explain the rules relating to butt-blocking and face-tackling. The film uses all modern motion picture techniques including graphics, stop action and slow motion to explain the reason football rules committees are concerned with the techniques of butt-blocking and face-tackling.

**TACKLING IN FOOTBALL**, j-s-c-a, 1 reel \$2.00.

Tackling properly is shown as the result of application of certain fundamentals: good physical condition, speed, body placement, drive, sure grip, timing, and body control. Shoulder and cross body tackles are demonstrated in various ways, with special instruction for safety and means of reducing shock.

## NATIONAL FEDERATION

### Past — Present — Future

(Cover)

The new logo and trademark of the National Federation is actually a blending of the old logo with a new one, which is symbolic of the philosophy with which the National Federation addresses the future. That which made the National Federation grow from an association of four states in 1920 to an association of 50 states today has not been forgotten as the National Federation expanded its services for the interscholastic programs of the 20,000 schools those associations represent.

National Federation services have been and will continue to be based on the belief that strong state and national high school organizations are necessary to protect the integrity of interscholastic programs and to promote healthy growth of those programs.

The survey indicated that 16 schools prefer the tournament be conducted in the fall and 14 schools prefer that it be conducted in the spring. Mr. Mills was instructed to inform the schools of the results and request that they make a recommendation to the Board for consideration.

After a lengthy discussion on recommended changes in track, Joseph McPherson moved, seconded by Zeb Blankenship, that the 60 Yard Hurdles be changed to 300 meters in girls track and that the 180 Yard Low Hurdles be changed to 300 meters for the boys. The motion carried unanimously.

It was recommended that Mr. Mills conduct a survey of the member track schools to determine their views on re-classification in track and the permitting of runner-ups from each region going to the State Meet.

Mr. Mills presented to the Board the information he had received from the National Federation Insurance Fund and recommended that this plan be adopted by the Association. Norman Passmore moved, seconded by Zeb Blankenship, that the plan of the National Federation Insurance Fund be accepted. The motion carried unanimously.

Assistant Commissioner Wise gave a report on the meeting of the Assigning Secretaries in both football and basketball. Following the presentation and a discussion on the requested raise in gas mileage allowance, Barney Thweatt moved, seconded by Joseph McPherson, that the fifty (50) mile minimum be continued but the gas allowance be raised from 10c to 15c per

mile for football, basketball and baseball officials. The motion carried unanimously.

After a recommendation by Mr. Wise, Joseph McPherson moved, seconded by Denvall Barriger, that four officials be used in the regional basketball tournaments (instead of 8). The motion carried unanimously.

Mr. Wise explained that the Assigning Secretaries had requested the Board consider raising the fee for basketball officials. After discussing the request, Zeb Blankenship moved, seconded by Glendon Ravenscraft, that the fee for basketball officials not be increased during the 1978-79 school year. The motion carried unanimously.

No action was taken on the recommendations of the Assigning Secretaries to increase the expense allowance for all necessary travel in regional tournaments to each official or that Part II of the National Federation test for the higher ratings be an open book test.

Mr. Burckich instructed the chairmen of each committee to study the recommendations of the Big 8 Conference as previously presented and report any recommendation back to the Board for consideration.

The next meeting of the Board of Control was scheduled for October 7, 1978, at the K.H.S.A.A. Building, Lexington, at 10:00 A.M.

Zeb Blankenship moved, seconded by Glen Ravenscraft, that all bills of the Association for the period beginning April 1, 1978, and ending June 30, 1978, be allowed. The motion was carried unanimously.

Denvall Barriger moved, seconded by Zeb Blankenship, that the meeting be adjourned. The motion carried unanimously.

### Coaches Day Is October 6

National Coaches Day is Friday, October 6, and all schools are urged to plan something special that week or that day for all the coaches in the school system.

A good means of issuing a public thanks for these professionals in the business of educating high school students through interscholastic athletics would be a special half-time program in their honor if your school has a football game that week. Or at any other interschool contest that week. Extend the honors to coaches in all activities, not just fall sports.

The National Federation of State High School Associations and the Kentucky High School Athletic Association lists two reasons for the nationwide drive to honor the coaches (1) Public thanks to the coaches and (2) motivation of all high school coaches to do the best job they possibly can.

Page 112 (Top Picture) - Substitute "kicker" for "holder".

1. **PLAY:** With 4th and 10 from the 50 yardline K1's punt is muffed by R2 at R's 40. Ball rebounds back to Ks 45 yardline where K1 recovers. K1 then

completes a forward pass to eligible K2 who advances for a touchdown. Prior to the touchdown, (a) K2 clipped while the ball was loose following the touching by R1 and before recovery by K1, or (b) K2 committed offensive pass interference prior to the catch.

**RULING:** In (a) it will be 4th and 25 for K from the 35 yardline. In (b) it will be 1st and 10 for R at K's 35 after accepting the penalty for offensive pass interference—15 yards from the previous spot and down counts, (5-1-2c, P.S. 5-1-2C, and Comment on Page 36, 1978 Case Book.)

2. **PLAY:** At the snap, Team B has (a) 10 players, or (b) 11 players on the field. During the down B11 or B12 enters the field but does not participate.

**RULING:** Illegal substitution in both (a) and (b). (3-7-1 and 3-7-5).

3. **PLAY:** With 1st and 10 from A's 20, A1 advances along the sideline to the 40 yardline. During the run the coach of Team A steps on the field to get a better view of the runner.

**RULING:** It will be 2nd and 15 from A's 15 following the penalty for a non-player being outside his team box (9-7-3 and 2-30-6).

4. **PLAY:** With 3rd and 10 from the 50, eligible A1 catches a pass at B's 49 and advances for an apparent touchdown. Before the pass was in flight, interior lineman A6 blocks B4 on his line and drives him to the 45.

**RULING:** Offensive pass interference. It will be 4th and 25 from A's 35.

**COMMENT:** Because the pass crossed B's line-of-scrimmage, ineligible receivers are restricted to the neutral zone until the pass is in flight. (7-5-6).

5. **PLAY:** With 2nd and 5 on A's 40, A2 interferes with B1 at the 50 while a forward pass is in flight. As the ball passes over A2 and B1, an official inadvertently sounds his whistle. Time expires for the first quarter during the down.

**RULING:** Second quarter will start with the ball on A's 25, 3rd and 20.

**COMMENT:** Ordinarily the down is replayed when an inadvertent whistle sounds during a down in which a legal forward pass was in flight. If there is a live ball foul during the down, the penalty is enforced and the down replayed, UNLESS a part of that penalty called for loss of down. In this case the penalty takes precedence over the provisions over the provisions of 4-2-3 and 3-3-4 b.

6. **PLAY:** K2 bats or intentionally kicks a scrimmage kick after it strikes the ground in the plane of R's goal line in an attempt to prevent a touchback.

**RULING:** Touchback. K2 batted a dead ball because the goal line is located in the end zone and as soon as K2 touched the ball there the ball became dead. It will be 1st and 10 for R on their 20.

7. **PLAY:** The ball is free-kicked from K's 40 yardline and in flight it crosses the 50 yardline before heavy winds blow it back to K's 45 where it (a) is touched in flight by K1, or (b) touches the ground and is recovered by K2.

**RULING:** Fair catch interference in (a), 1st and 10 for K in (b). (6-1-7).

**COMMENT:** The restraining line marking the neutral zone for K and R on a free-kick are vertical planes and when the free-kick penetrates R's free-kick penetrates R's free-kick line in flight, it is considered to have gone the required 10 yards.

8. **PLAY:** During the course of the game, quarterback A1 runs over to the vicinity of his team box area for the purpose of receiving instructions from his coach. No time-out is requested, there is no delay

in declaring the ball ready-for-play, and the coach does not leave the team box area.

**RULING:** It is an illegal conference if a player stops or tarries in front of, or in the vicinity of, his team box between downs for the purpose of receiving directions and/or exchanging information with a coach or other team personnel. Team A will be penalized 15 yards for this unsportsmanlike non-player foul. (9-7-1b).

**COMMENT:** Some may argue that coaching from the sidelines is permitted and as long as there was no delay in declaring the ball ready-for-play, this means of communicating between the coach and his quarterback should be permitted. Coaching from the sideline permits coaches to call out instructions to their team and these instructions may be heard by anyone. When a player comes over to the vicinity of the bench area to receive "private instructions" it takes on the same aspects as a coach-player conference which is permitted only during charged time-outs and between periods.

9. **PLAY:** Team A's field goal attempt or try is deflected by B1 in the end zone after which it goes through the goal above the crossbar. Following the touching and before the ball goes through the uprights, there is an unsportsmanlike foul by (a) A1 or (b) B1.

**RULING:** In either (a) or (b) the field goal or try is successful and the penalty for the dead ball foul will be enforced on the ensuing kick-off (4-2-2 d).

**RULING:** In either (a) or (b) the field goal or try is successful and the penalty for the dead ball foul will be enforced on the ensuing kick-off (4-2-2 d).

**COMMENT:** For the purpose of understanding the recent change which permits a try or field goal attempt to score after it is touched in the end zone, consider the kicked ball dead as soon as it was touched, but we now have an exception (4-2-2 d) which permits this try to score, rather than having a type of "delayed dead ball" whose future status will depend on whether or not the ball continues through the goal.

10. **PLAY:** A forward pass is touched beyond the line by A1. As B1 moves to intercept the deflected pass, A2 (a) pushes B1 in the back in an effort to get at the ball, or (b) blocks B1 from behind in an effort to prevent the interception.

**RULING:** Legal in (a), clipping (b). (9-2-1, 9-1-2d).

11. **PLAY:** On a scrimmage down the back judge (5-man crew) takes a position about halfway between the sideline and the inbounds line and slightly in front of the deepest receiver and on the opposite side of the field from the head linesman.

**RULING:** The back judge is not in the correct position. The back judge should take his position on the same side of the field as the head linesman regardless of the position of the kicker or the potential receiver.

**COMMENT:** On scrimmage kicks the field judge is able to release much quicker than the head linesman to assist in covering for first touching, short kicks, and kicks going out-of-bounds to his side of the field.

12. **PLAY:** On fourth down punter A1 requests a new (different) ball that he favors for punting.

**RULING:** The request should be denied. Unless the ball is unfit for play, or the ball used on the previous play goes out-of-bounds or for any reason the official feels it would be more expedient to request a change of balls, Team A is obligated to use the same ball it used to begin the series. (1-3-2, 1-3-3 and P.S. 1-3-2, 5-1-1).

13. **PLAY:** While covering a scrimmage kick, Al is blocked by B1 in such a manner that he cannot avoid contact with receiver B2. (a) Just prior to this contact and following R1's block, the untouched football strikes Al's back or (b) immediately the contact, the untouched football strikes B2's shoulder pad.  
**RULING:** The touching in both (a) and (b) will be ignored. (6-2-5).

## High School Athlete

### *The Sportsman's Creed*

#### The Player . . .

1. He lives clean and plays hard. He plays for the love of the game.
2. He wins without boasting, he loses without excuses and he never quits.
3. He respects officials and accepts their decisions without question.
4. He never forgets that he represents his school.

#### The Coach . . .

1. He inspires in his boys a love for the game and the desire to win.
2. He teaches them that it is better to lose fairly than to win unfairly.
3. He leads players and spectators to respect officials by setting them a good example.
4. He is the type man he wants his boys to be.

#### The Official . . .

1. He knows the rules.
  2. He is fair and firm in all decisions. He calls them as he sees them.
  3. He treats players and coaches courteously and demands the same treatment for himself.
  4. He knows the game is for the boys, and lets them have the spotlight.
- 

#### The Spectator . . .

1. He never boos a player or official.
2. He appreciates a good play, no matter who makes it.
3. He knows the school gets the blame or the praise for his conduct.
4. He recognizes the need for more sportsmen and fewer "sports."

#### Newly Elected Board Member

**Pete Grigsby, Jr.**

Pete Grigsby, Jr. is a native of Martin, Kentucky in Floyd County where he graduated from Martin High School in 1952. He earned All-State honors his Senior year in Basketball and then the famed coach of U.K., Adolph Rupp, offered him a scholarship to play for the "Wildcats".

He was a member of the undefeated 1953-54 U.K. squad that earned the No. 1 ranking in the country! He also lettered in Baseball at U.K.

Mr. Grigsby graduated from U.K. in 1957 and began his coaching and teaching career at M.C. Napier High School in 1957-58. He later returned to U.K. and in 1959-60 he received his M.A. degree in Educational Administration with emphasis on the Principalship. He also earned Rank I and the Provisional Superintendent Certificate from U.K. by August, 1975.

Mr. Grigsby coached Basketball and Baseball at McDowell High School from 1961-1974 where his teams gained state-wide recognition. His Basketball teams appeared in the "Sweet 16" three times, 1966, 1971, and 1973 while his Baseball teams made only one trip to the final state meet. In 16 years of coaching, his Basketball teams won 386 while losing only 160 for a 73% winning average.

He began his administrative career while at McDowell High School, when along with his coaching duties, he served as the Assistant Principal from 1965-1974. He was promoted to the role of Assistant Superintendent in the Floyd County School system in 1974 and served in this capacity for two years until he became Superintendent of Floyd County Schools July 1, 1976.

Recently, the Floyd County Board of Education honored him by naming the new gym-lunchroom complex at McDowell High School "The Pete Grigsby, Jr. Fieldhouse".

Mr. Grigsby is married to the former Phyllis Martin of McDowell where they now live. They have three children, Melinda Gay Majakey, 23, Geri, 19, and Pete III, 14. Because of Geri's nation-wide fame in women's basketball and her many high school records that she set while playing high school Basketball at McDowell, Mr. Grigsby in some circles is affectionally referred to as being "Geri's daddy!"

Mr. Grigsby will serve out the unexpired term of Paul Trimble, Paintsville, representing Section 8.

**Executive Meeting****Kentucky High School Coaches Association**

(Continued from Page One)

Howard Johnson Motor Inn

June 25, 1978

Representatives of the Kentucky Girls Sports Association, the Kentucky School Administrators, Athletic Directors and the Kentucky High School Coaches Association met on Sunday afternoon, June 25, at 2:00 P.M. at the Howard Johnson Motor Inn in Lexington.

Ann Karrick, girls athletic director of Montgomery County, introduced Mr. Bill Nalli, executive secretary of the Kentucky Association of School Administrators who discussed at length the proposed certification of coaches, which included attendance at medical meetings annually, these to be under control of the State Board of Education.

The training sessions are to be financed by funds appropriated by the State Board. The training sessions are to consist of a two or three seminar, held in June and perhaps to be mandatory in 1979. For those coaches (all interscholastic sports) unable to attend

the general meeting, make up sessions will be provided. Nalli stated that the K.A.S.A. would probably provide expense money for consultants, travel, etc., but no meal or hotel expenses would be allowed coaches in attendance.

George Kok, athletic director of Pleasure Ridge Park High School, spoke to the group regarding the unification of the K.G.S.A. and the K.H.S.C.A. in the playing of the East-West All-Star basketball games. Kok talked about the newsletter—Athletic Directions, which replaced the Communicator.

A committee was appointed to study the possibility of the Kentucky Girls Sports Association and the Kentucky High School Coaches Association cooperating in the playing of the All-Star basketball games in Louisville on June 8, 1979. Members of the committee were Elizabeth Sadler, Judy Morris, and Jack Conte of the K.G.S.A. and Al Prewitt, Paul Young, and Joe Ohr of the K.H.S.C.A.

Representatives of the various groups in attendance were:

Ann Karrick	Joe Judy
Judy Morris	Bob Miller
Pam Traylor	Rex Miller
Donna Wolfe	Paul Young
Mickey T. Walker	Jim Watkins
Jack Conte	Basil Miller
Al Prewitt	Joe Ohr
George Kok	Marty Donlan
Andy Hopkins	Bill Nalli

July 16, 1978

The committee appointed by the Kentucky Girls Sports Association and the Kentucky High School Coaches Association met on Sunday, afternoon at 2:30 in the board room of the Kentucky High School Athletics Association building in Lexington.

The All-Star basketball games are scheduled for Freedom Hall on Friday night, June 8, with games at 7:00 P.M. and 9:00 P.M.

In the selection of teams the ballots for the boys and girls will be the same, however, the ballots of the girls will be given out at the State Tournament-the ballots must be returned within one week. The State Basketball Tournament for girls is scheduled for Richmond, Kentucky.

Games Director Jack Conte will be given a stipend of \$200.00 for managing the girls East-West basketball game, plus expenses while in Louisville. All team members of the girls East-West squads will report on June 2, and will be housed in the dorms at the University of Louisville. Meals and mileage will be provided for the players, coaches, and managers.

At the suggestion of Judy Morris, executive secretary of the K.G.S.A. it was agreed that the representative of that organization retain their method of selecting coaches, players, and officials.

At the suggestion of former coaches of the K.H.S.C.A. East-West football and basketball teams and in ac-

cordance of the policy of the K.G.S.A. that their coaches are not paid for coaching duties. It was agreed by the Executive Board that coaches for the 1979 games would not receive the usual stipend.

The Executive Board voted unanimously to increase the size of the football squads to 28, and the size of the coaching staffs were increased from two to three in football, (each squad) and from one to two in basketball.

Paul Young, Games Coordinator, was granted the right to have early ticket sales in the Jefferson County Schools as well as in all schools with the organization selling tickets to retain 50c for each general admission ticket and \$1.00 for each reserved seat.

#### MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Office, Lexington, Kentucky, on Saturday morning, October 7, 1978. The meeting was called to order at 10:00 A.M. with all Board members, Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Norman Passmore.

Zeb Blankenship moved, seconded by Denval Barriger, that the minutes of the July 28 meeting be approved as submitted. The motion passed unanimously.

Commissioner Mills introduced Pete Grigsby, Jr., Superintendent of the Floyd County schools, and gave the results of the recent election to fill the vacancy on the Board of Control created by the resignation of Paul Trimble, Paintsville. Mr. Grigsby received 17 votes and Mr. Frank Welch of Belfry High School received 14 votes.

Mr. Mills read a letter of resignation from Assistant Commissioner Dianne Caines. Norman Passmore moved, seconded by J. D. Minnehan, that the Board accept the resignation of Mrs. Caines. The motion passed unanimously. President Burkich instructed the Staff Committee to review the job description of the Assistant Commissioner position to be filled before recommending a replacement to fill this vacancy.

Commissioner Mills read the correspondence on the eligibility case of Sherri Huff. Sherri, a student at Apollo High School, is ineligible under the provisions of By-Law 6, Section 1. Following a presentation by Mrs. Darleen Huff and a lengthy discussion by members of the Board, Barney Thweatt moved, seconded by Norman Passmore, that By-Law 6, Section 1, Transfer Rule, not be waived in this case. The motion passed unanimously.

Mr. Mills read letters to the Board concerning the Mike Higgins eligibility case. Mike, a student at Dixie Heights High School, is ineligible under the provisions of By-Law 6, Section 1, Transfer Rule and By-Law 5, Section 4, Preceding Semester Rule. After a presentation by Mr. James Higgins and others present, and after a lengthy discussion by members of the Board, J. D. Minnehan moved, seconded by Barney Thweatt, that By-Law 6, Section 1, and By-Law 5, Section 4, not be waived in this case. The motion passed unanimously.

Commissioner Mills read the correspondence on the eligibility case of Tommy Vinmont. Tommy, a student at Tates Creek High School, is ineligible under the provision of By-Law 5, Section 4, Preceding Semester Rule. Following an excellent presentation by Tommy, his wife and others who spoke on his behalf, the members of the Board discussed the case at length. Barney Thweatt moved, seconded by Denzil Ramsey, that By-Law 5, Section 4, Preceding Semester Rule, not be waived in this case. The motion passed with a vote of 6-3.

Commissioner Mills then presented a letter written by Mr. Tony Lanham, requesting that By-Law 6, Section 1, Transfer Rule, be waived in favor of his

daughter, Christian Lanham. After discussing the request, Zeb Blankenship moved, seconded by Denval Barriger, that the Board decline to waive By-Law 6, Section 1, in this case. The motion carried unanimously.

Mr. Mills read a letter from Prin. Bill Van Winkle, Owensboro High School, requesting that the Board of Control grant another hearing in the Cully Nelson eligibility case. After a discussion during which it was pointed out that the Board had heard this case three times previously since there was no new evidence presented in the case, J. D. Minnehan moved, seconded by Norman Passmore, that the request be denied. The motion passed unanimously.

With the increasing enrollment in some of our football schools, Mr. Mills discussed the fact that there will be a number of changes to be made in the re-alignment for the football school districts and regions for the 1979 and 1980 seasons. He furnished copies of the re-alignment previously agreed upon by the Board and gave them a list of the proposed changes. A more detailed report will be made when the increased enrollments of other schools become available. Glen Ravenscraft moved, seconded by Norman Passmore, that the Board approve the re-alignment as presented by Mr. Mills. The motion passed unanimously.

The Board discussed the problems member schools are having with re-scheduling football games under the new playoff system. Following the discussion, Barney Thweatt moved, seconded by Zeb Blankenship, that those schools assigned to Class AAAA or sub-divided districts will begin the championship play-off on the first weekend in November in 1979. Therefore, they should leave that date open on their schedule or enter into a contractual agreement to the effect that any game scheduled on this date shall be cancelled by mutual agreement should either one or both schools qualify for participation in the district championship game. The motion carried unanimously. Championship play in all other districts and classes begin on the second weekend in November.

Commissioner Mills read a letter from the Kentucky Association of School Administrators requesting that the Delegate Assembly of the K.H.S.A.A. meet in conjunction with their Association on August 5-7, 1979. The Board, after a discussion, agreed that the spring date is more desirable for the K.H.S.A.A. member schools and asked the Commissioner to suggest to the KASA that the K.H.S.A.A. have a representative in attendance at each of the KASA meetings.

Mr. Mills presented letters received from Coach Jack Upchurch, Ashland, and Prin. Phil Back, Dawson Springs, requesting that the Board of Control waive By-Law 27, Section 4, Practice Games. It was the opinion of the Board members that they do not have the authority to set this rule aside.

Mr. Mills recommended that Owensboro be the site for the 1979 baseball tournament. Barney Thweatt moved, seconded by Denval Barriger, that the Board of Control approve this recommendation. The motion passed unanimously.

#### **Minutes of Board Meeting**

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, on Saturday, December 23, 1978. The meeting was called to order by President Jack Burkich at 10:00 A.M., with all Board members; Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Conley Manning and Darrell Wells were present representing the State Department of Education and the State School Boards Association respectively. The invocation was given by Zeb Blankenship.

Denzil J. Ramsey moved, seconded by Barney Thweatt, that the minutes of the October 7, 1978, meeting of the Board be approved. The motion carried unanimously.

Commissioner Mills read the minutes of the meeting of the appeal case of Jeff Thomas in Louisville. After discussing the minutes of the meeting, Glen Ravenscraft moved, seconded by Zeb Blankenship, that the minutes of the appeals meeting be approved. All members voted aye.

Commissioner Mills informed the Board that a restraining order had been issued in the Daviess County Circuit Court ordering the K.H.S.A.A., Board of Education of the City of Owensboro and the State Board for Elementary and Secondary Education to refrain from denying Cully Nelson the right to participate in the basketball program at Owensboro High School, during the second semester of the 1978-79 school year beginning on January 2, 1979. Cully Nelson is ineligible to represent Owensboro High School in athletics under the provisions of By-Law 5, Section 4, Preceding Semester Enrollment. After discussing the case, Norman Passmore moved, seconded by Barney Thweatt, that written defense be filed by the K.H.S.A.A. Board attorney.

Dr. Irvin Rice, Principal of Male High School, was unable to be present to appeal the eligibility case of Kris Deeds. Kris is ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. Upon the request of Dr. Rice, Mr. Mills presented the case to the Board. After discussing the information as presented, Barney Thweatt moved, seconded by Denvall Barriger, that By-Law 6, Section 1, Transfer Rule, not be waived in this case. The motion passed unanimously. Dr. Rice was granted a hearing before the next Board meeting if he so desired providing he had additional information to present.

Assistant Commissioner Billy V. Wise reported on the receipts of the football playoffs and explained that they continue to be successful. After a report of the receipts for the last four playoffs and a discussion concerning an additional amount for expenses to be allotted to each team taking part in the final games, Joseph McPherson moved, seconded by Pete Grigsby,

that each of the eight schools involved receive an additional amount of \$1,200.00. The motion carried unanimously.

Upon a motion by Barney Thweatt, seconded by Denvall Barriger, and a unanimous vote of the Board, the following regulations concerning fees for district, regional and state basketball tournament officials were adopted. The district tournament officials shall receive a fee of \$30.00 per game, the regional tournament official shall receive a fee of \$35.00 per game and the state tournament official shall receive \$40.00 per game. Transportation allowance shall be 15¢ per mile per game for one car for all necessary travel. In the event it is necessary for the official to remain overnight at the tournament site, he or she shall be paid an additional \$20.00 per day for lodging and meals. These apply to both boys and girls tournaments.

Supt. Robert J. Gover, Prin. David C. Crowe, Ass't Supt. Henry C. Resch and Coach Dale Lindsey came before the Board of Control requesting that their decision to use the fall enrollment figure as a base for classification in football be rescinded, and that Warren Central High School be returned to Class AAA classification in Region 1, District 2. Following the presentation the delegation thanked the Board members for hearing their request and departed. Following the presentation and departure, the Board discussed the request at length before Zeb Blankenship made the motion, seconded by Joseph McPherson, that the request be denied based upon the fact that the fall enrollment figures were used to determine the classification of all schools in football and that all member schools had been given proper notification of the decision to use the fall enrollment figure instead of the spring enrollment as had been done in the past. The motion passed unanimously.

Prin. John V. Reschar, Fern Creek High School, came before the Board to appeal the decision of the Commissioner concerning the final standing of the football teams in District 3, in Jefferson County. After the presentation the Board discussed the appeal at length. Denvall Barriger moved, seconded by Zeb Blankenship, that the decision of the Commissioner be upheld in this case. All members voted aye.

Rob Cox, Principal of Breckinridge County High School, presented to the Board his plan for developing a photographic journal to honor the participants of the Boys' State Tournament. Mr. Cox explained that the journal would involve the entire season including the state tournament at no financial obligation to the Board. He requested that the Association place an order form in the January and February issues of the *ATHLETE*. The Board granted his request.

Mr. Mills read a letter from Ralph Gabbard of WKYT-TV requesting the rights to televise the semi-final and final games of the 1979 Boys' State Basketball Tournament.

ball Tournament at the fee of \$10,500.00. After considering his offer it was the opinion of the Board of Control that it would not be in the best interest of the K.H.S.A.A. to accept the offer. Denzil J. Ramsey moved, seconded by Barney Thweatt, that they would accept the fee with a guaranteed attendance that would equal the average of those sessions not televised. The motion carried unanimously.

Coach Ron Finley of Russell County High School came before the Board explaining the difficulty he is having scheduling the football teams in his district. In working out a schedule to complete all their district games, Coach Finley explained that he is unable to fill the contract made with Clinton County and that school wants them to pay the forfeit fee. After a lengthy discussion, the Board instructed Commissioner Mills to assist the two schools in solving the problem.

Commissioner Mills presented the results of the recent track survey taken among member schools. The schools favored the adoption of the metric system in track and field beginning in 1980 by a vote of 83 to 57. The vote was 105 to 33 in favor of both the winner and runner-up advancing to the State Meet in Track and 104 to 30 in favor of both the winner and runner-up advancing to the State Meet in Cross Country. Ninety-five voted in favor of re-classifying schools in track and that the State Meet in all classes be held at one site and on the same dates. Twenty-six schools voted against re-classification in track. Following the presentation of the results of the survey, Barney Thweatt moved, seconded by Norman Passmore, that these changes be adopted by the Board for the 1979 track season. The motion passed unanimously.

After a discussion on the survey taken by the Association pertaining to the season for Soccer, Joseph McPherson moved, seconded by Denval Barriger, that Soccer be designated as a spring sport and that the K.H.S.A.A. conduct a state championship in Soccer beginning with the Spring of the 1979-80 school year. The motion passed by a vote of 9-1.

Following a discussion on the request of several schools that the K.H.S.A.A. consider sponsoring a state championship tournament in Volleyball, Glenn Ravenscraft moved, seconded by Denval Barriger, that the Association consider sponsoring a championship tournament in any sport in which 25% or more of the member schools indicate that they will enter into competition. The motion passed unanimously. It was further agreed that should 25% of the schools indicate that they would enter teams in Volleyball, it would be classified as a fall sport and the K.H.S.A.A. would then sponsor a State Championship Tournament beginning with the 1979-80 school year.

Earl Duncan of the Jefferson County Schools requested that the Board waive By-Law 29, Requirement of Coaches, to permit the Jefferson County School System to hire certified personnel who are employed as permanent substitute teachers to coach girls' junior varsity and freshman basketball teams, gymnastics and other sports, not to include head coaching positions in football or basketball. Barney Thweatt moved,

## Board Minutes

(Continued from Page Three)

IV, District 1, Sub-District 2. Pikeville High School was assigned to Region IV, District 2, Sub-District 2.

The Board of Control failed to approve requests from Trigg County High School and Wayne County High School that they be elevated from Class AA to Class AAA in football for the 1979 and 1980 football seasons.

The Board considered a proposal submitted by Meade County High School recommending re-alignment for Region II in Class AAA football. Following a discussion of the proposal, it was the decision of the Board that there be no changes in the present alignment in this Region for the 1979 and 1980 football seasons.

The next meeting date for the Board of Control was scheduled for January 20, 1979, 10:00 A.M., at the Executive Inn East, Louisville.

Barney Thweatt moved, seconded by Denval Barrieger, that all bills of the Association for the period beginning October 1, 1978, and ending November 30, 1978, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

#### MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn—East, Louisville, Kentucky, on Saturday, January 20, 1979. The meeting was called to order by President Jack Burkich at 10:00 A.M. with all Board members, Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Joseph McPherson.

Barney Thweatt moved, seconded by Denval Barriger, that the minutes of the December 23, 1978, meeting of the Board of Control be approved. The motion carried unanimously.

President Burkich introduced attorneys, Bruce P. Zalman and Todd Hollenbach to the Board. They had come before the Board to appeal the eligibility case of Christian Lanham who is ineligible to participate in athletics at Southern High School under By-Law 6, Section 1. Mr. and Mrs. Lanham and Christian also appeared before the Board. After a lengthy discussion Barney Thweatt made the motion that By-Law 6, Section 1, Transfer Rule, not be waived in this case. Zeb Blankenship seconded the motion and it passed unanimously.

Mr. Mills presented and discussed copies of proposals recommended by the Big 8 Conference. These proposals and any others received prior to March 1 will be considered by the 1979 Delegate Assembly.

Assistant Commissioner Wise gave a report on the progress of ticket sales for the boys' and girls' State Basketball Tournaments. He reported that advanced ticket sales have shown an increase over those of the same period last year.

After a lengthy discussion on the assignment of district and regional tournament officials, Pete Grigsby made the motion, seconded by Barney Thweatt, that tournament officials be assigned outside the district and region where they reside. The motion carried by a vote of 9-1.

Commissioner Mills read a letter from Ralph Gabbard of WKYT-TV stating that his television station could not accept the K.H.S.A.A. proposal to televise the semi-finals and finals of the Boys' Basketball Tournament. With this information the Board decided that the semi-finals and finals of the Boys' State Basketball Tournament would not be televised for 1979.

Zeb Blankenship moved, seconded by Denval Barriger, that Cross Country be placed into three classes, as was done in track for the 1979-80 school year, based upon the 1979 fall enrollment figures received from the State Department of Education. The motion passed unanimously.

Joseph McPherson presented a report from the Jefferson County Schools requesting that football championships be determined by using the won/lost record instead of the Dickinson System. The Dickinson System would only be used to break ties. After a discussion by the Board members President Burkich assigned the proposal to the Football Committee for study and recommendations to be considered at the March meeting of the Board of Control.

Barney Thweatt made a motion, seconded by Norman Passmore, that the following recommendations be adopted in scheduling regional games for boys and girls basketball tournaments: regional finals for boys and girls must be completed by Tuesday night following the second Saturday night in March; in the region where boys and girls regional tournaments are assigned to separate sites, the regional tournament managers shall schedule games in order that girls and boys games are not played on the same dates at the separate sites; in regions where boys and girls regional tournaments are assigned to the same site, the regional tournament manager shall be responsible for scheduling games in the best interest of all participating schools. The motion passed unanimously.

Denval Barriger moved, seconded by Zeb Blankenship, that all bills of the Association for the month of December be allowed. The motion carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, March 16, 1979, 9:00 A.M. at the Hyatt Regency Hotel, Lexington, Kentucky.

There being no further business, the meeting was adjourned.

KAPOS NEWS  
STATE TOURNAMENT  
INFORMATION

Cheerleader and Sponsor Registration: All cheerleading squads and/or sponsors are asked to stop by the KAPOs table in Rupp Arena to:

1. Register your squad
2. Pick up important information and materials for you and your school.

Along with a KAPOs board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOs has a Hospitality Room located in Rupp Arena. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet Sixteen" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor's name, must be contained in the letter of conformation which you will receive. This letter must be in the hands of a KAPOs officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid up member of KAPOs in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOs Judging Sheet, a copy of which will also be included in the packet sent by the K.H.S.A.A. to the winners of the sixteen regions (Handbook, p. 16).

## AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad will receive the Ted Sanford Trophy. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All Tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come up the floor should they be called for an award.

GOVERNOR CARROLL DECLARES  
GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOs has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the

success of the tournament if he will abide by the KAPOs Sportsmanship Creed proclaimed by Governor Carroll. The Governor's proclamation is on display at the KAPOs table.

### NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOs board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOs is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

### STATE-AT-LARGE CHAMPIONS

Recognition is now being given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive a trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOs members are eligible to be judged for the honor or representing their district in the KAPOs

Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the State-At-Large winners will take place at 8:30 A.M. on Thursday, March 15, and at 8:30 A.M., Friday, March 16, in the Transylvania University Gymnasium, 300 North Broadway, Lexington. The public is invited to this outstanding event. The admission charge of \$1.00 per person will go toward the expenses of the KAPOs scholarship award, details of which are supplied below. We are grateful to the administrators of Transylvania for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be remindful that they are guests in the "home" of Transylvania University.

At the conclusion of the judging, trophies will be awarded to the top four squads, in addition to several special awards.

### STELLA S. GILB SCHOLARSHIP

KAPOs is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Write a KAPOs officer for application forms, or pick them up at the State Tournament KAPOs table.

#### Swimming

BACK STROKE, e-j-s-c-a, 1½ reels (15 min.), \$3.00.

Good body position and efficient arm action are the basis for the fine performance. Special attention is given to the start and the turn. Effective use is made of animation, stop action and slow motion.

BEGINNING SWIMMING, e-j-s-c-a, 1 reel, \$2.00.

Through scenes photographed both above and beneath the surface of the water, basic techniques of swimming for beginners are demonstrated. Land and water drills involving kicking, breathing, floating, paddling and stroking and pulling with the arm practiced separately, then coordinated as the swimmer learn the American crawl. The back float, back stroke, and breast stroke are also illustrated and explained.

**BREAST STROKE SIDE STROKE AND UNDER-WATER SWIMMING**, e-j-s-c-a, \$2.00.

This film presents the conventional breast stroke, timing and strokes, and the kick.

**BUTTERFLY**, e-j-s-c-a, 1½ reels (16 min.), \$3.00.

Newest and most challenging of the swimming strokes is explained in detail. Making use of slow motion underwater photography, the arm action and dolphin kick are analyzed. Correct timing between arms and leg action is vital to performance. Reasons for timing are clearly explained.

**CHAMPIONSHIP SWIMMING: PERFECTION TECHNIQUE**, e-j-s-c-a, 2 reels, (19 min.), color, \$5.50.

Outlines briefly the program and training methods used by the Santa Clara Swim Club that may be used by anyone to train swimmers. The technique illustrated, such as weight training, circle training, pace clocks, bench and stroke work, and interval training when properly applied in the appropriate circumstances, will all prove beneficial in perfecting swimming style.

**CRAWL STROKE**, e-j-s-c-a.

The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This film also includes slow motion shots underwater.

**DIVING FUNDAMENTALS**, j-s-c-a, 1 reel, \$2.00.

After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.

**DOLPHIN KICK**, e-j-s-c-a, 1 reel, \$2.00.

An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming techniques known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speedy kick.

**DROWN PROOFING**, j-s-c-a, 1 reel (9 min.), color, \$4.50.

Shows how to stay afloat and travel in water even if you have never learned to swim. Ninety-nine per cent (99%) of all men and about ninety-nine point nine per cent (99.9%) of all women can remain on the surface in fresh water without moving, as can nearly all children.

**I'M NO FOOL IN WATER**, p-e-j-a, 1 reel (8 min.), color, \$3.00.

Jimmy Cricket illustrates the "do's" and "don'ts" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when water is too cold, never swim alone, and dive only when you know the water is deep enough.

**SPRINT CRAWL**, e-j-s-c-a, 1½ reels (14 min.), \$3.00.

Underwater photography plus animation demonstrate the dynamics of moving solid bodies through water and the resistance factors that must be over-

come. You see the employment of arms and legs as well as entire body for speed, streamlining power. Championship racing starts, breathing techniques, and turns are shown in slow motion.

**SWIMMING BY THE RULES**, e-j-s-c-a, 1½ reels, (18 min.), color, \$1.00.

The first film ever produced to demonstrate the interpretation of the rules of swimming. Official procedures for starting, stroke judging, turn judging, finish judging and timing are illustrated. Divers in action show numerous faults and how much each fault lowers the diver's score. (K.H.S.A.A.).

#### MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Hyatt Regency, Lexington, on Friday, March 16, 1979. The meeting was called to order at 9:00 A.M. by President Jack Burkich. All Board members, Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise were present. Conley Manning was present representing the State Department of Education and Darrell Wells represented the State School Boards Association. The invocation was given by Glendon Ravenscraft.

Denzil J. Ramsey moved, seconded by Denval Barriger, that the minutes of the January meeting be approved. The motion passed unanimously.

Commissioner Mills gave the results of the recent balloting for Board membership for Section 2 and 5. The balloting in Section 2 was as follows: Reathel Goff, 9; Robie Harper, Jr., 26; Bill Van Winkle, 6. Fairce O. Woods who was unopposed for election in Section 5, received 34 votes.

Mr. Mills gave a report on the following recommendations of the Football Committee:

1. The Committee discussed the lodging and meal allowance allowed for participating teams in the football playoff games. By motion of Joseph McPherson, seconded by Denval Barriger, and a unanimous vote, the Football Committee recommends that the meal allowance be increased from \$2.00 to \$3.00 for thirty-eight (38) persons per meal and the lodging allowance be increased from \$4.00 to \$5.00 for thirty-eight (38) persons.

2. By motion of Norman Passmore, seconded by Denval Barriger and a unanimous vote, the Football Committee recommends that Section 11-C under the Rules and Regulations Governing Football Championship be amended to read as follows:

The championship shall be determined by the won/loss record within each football sub-district or district based upon the games played that count toward the sub-district or district record. In the case of a tie between two teams, based upon the won/loss record, the team that won the game contested between the two tied teams shall be declared the champions. Should three or more teams tie for the championship based upon the won/loss record, the championship shall be determined by the following plan: Each team shall receive one point for each game won by any four of their defeated opponents (including sub-district, district and non-district games); except the game played between the teams tied for the championship and each of their defeated opponents shall be omitted when calculating points to break the tie. If the tie remains after a team's highest points have been counted, an additional game will be counted until the tie is broken. Only games played with Kentucky teams

shall be counted. If a tie results after the above plan has been applied, it shall be broken by the Board of Control.

Norman Passmore made a motion, seconded by Joseph McPherson, that the recommendations of the Football Committee be approved. The motion carried unanimously.

There was a discussion of new proposals to be submitted by the Board and the principals of the Big 8 Conference at the forthcoming Delegate Assembly. A list of these proposals appear elsewhere in this issue of the *ATHLETE* and copies have been sent to all member school representatives and Delegates. Barney Thweatt moved, seconded by Zeb Blankenship, that these proposals be submitted to the Delegate Assembly. The motion passed unanimously.

Commissioner Mills gave a brief report on the Boys' State Basketball Tournament and on how the people of Rupp Arena, Convention Bureau and others had worked to see that the tournament was a success.

After a lengthy discussion on the present playoff system in basketball, Barney Thweatt made a motion, seconded by Glendon Ravenscraft, that the Basketball Committee send out a survey to determine the wishes of the member schools concerning the classification of schools in basketball. The motion carried unanimously.

Mr. Mills explained that many schools were not in agreement with the Board's decision to sanction Soccer as a spring sport and requested that the Sports Committee give further study to this subject. President Burkich requested that the Committee meet prior to the April meeting of the Board and be prepared to make recommendations at that time.

Barney Thweatt moved, seconded by Pete Grigsby, that all bills of the Association for the period beginning January 1, 1979, and ending February 28, 1979, be allowed. The motion carried unanimously.

The next meeting of the Board of Control was scheduled for April 20, 1979, 9:00 A.M., at the K.H.S.A.A. Building, Lexington.

There being no further business, the meeting adjourned.

### MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office on Friday, April 20, 1979. The meeting was called to order by President Jack Burkich at 9:00 A.M. with all Board members; Commissioner Tom Mills and Assistant Commissioners Louis Stout and Billy V. Wise present (J. D. Minnehan had to leave the meeting early because of an emergency). Conley Manning was present representing the State Department of Education. The invocation was given by Conley Manning.

Mr. Miller spoke to the Board about the Coaches' Association sponsoring the Kentucky East-West All-Star games in Louisville on June 8-9. He also explained that the Coaches Association is sponsoring an all-sports clinic on June 7-10, 1979, and extended an invitation to all coaches to attend this clinic. He explained to the Board that with the Coaches' Association help, the injury insurance has increased from \$10,000 to \$75,000 during the past three years and it is the desire of the Coaches Association that this be further increased to a total of \$100,000 for the 1979-80 school year.

After a lengthy discussion Norman Passmore made a motion to change Basketball Tournament Rule VI-13 to read: "Upon written request of the principal of a participating school, the District Tournament Manager shall pay membership fees for a maximum of two coaches to the Secretary of the Kentucky High School Coaches Association from gross receipts of the Boys' District Tournament. The request must be received by the District Tournament Manager prior to March 1.

Upon written request of the principal of a participating school, the District Tournament Manager shall pay membership fees for a maximum of two coaches to the Secretary of the Girls' Coaches Association from the gross receipts of the Girls' District Tournament. On the recommendation of this Committee Barney Thweatt moved, seconded by Joseph McPherson, that Soccer remain a Spring sport for the 1979-80 school year as previously designated by the Board of Control, and that a survey again be conducted by the Commissioner during the 1979-80 school year to determine the season for future years.

### Minutes of Board Meeting

(Continued from Page One)

In the meantime, the principals, athletic directors and coaches are encouraged to work together to decide on the season for Soccer that would fit into the school athletic program and offer the best opportunity for the participating students. Joseph McPherson seconded the motion and it passed unanimously.

Joseph McPherson moved, seconded by Barney Thweatt, that Soccer be added to those sports not subject to the provisions of By-Law 8, Contestant on Another Team. The motion passed unanimously.

Attorney Stokes Harris, Jr. and Mr. Whitney Page appeared before the Board to appeal the decision of the Commissioner regarding his interpretation of By-Law 5, Section 5, Enrollment Elsewhere, as presented to Fayette County Athletic Director, Andy Hopkins. Attorney Phil Scott was present representing the Kentucky High School Athletic Association.

Testimony at the hearing was provided by Richard Page, Jr., father of Whitney Page and Lee T. Mills, Commissioner of the Association. The three petitioners are not enrolled in the Fayette County School System nor do they attend a school which is a member of the Kentucky High School Athletic Association. The petitioners, Beckwith Archer and Whitney Page are enrolled in the Lexington School, a private school located in Fayette County, Kentucky and the petitioner Brooks Simmons is a student at Christ the King, a Lexington Catholic parochial elementary school. Each of the participants is a tennis player and in particular, the Archer girl and Page boy have previously participated on Henry Clay High School's tennis team. They desire to participate again this spring on the Henry Clay High School tennis team.

The petitioners were advised by various coaches that the athletic director, Mr. Hopkins of the Fayette County School System, had informed the respective coaches that because students were enrolled in private or parochial elementary schools, they would not be allowed to participate on the Henry Clay tennis team.

The petitioners appealed Mr. Hopkins' ruling to commissioner Tom Mills of the Kentucky High School Athletic Association. Commissioner Mills ruled the petitioners ineligible to participate on Henry Clay High School's tennis team and cited as the basis of his ruling Bylaw 5 §5 which provides that, "no student who is enrolled or connected with any other school other than the one he represents shall take part in any contest." The commissioner further stated in his ruling that "students that are not enrolled in the Fayette County public schools are not eligible to participate for a Fayette County public high school who is a member of the KHSAA even though they may reside in that public school district."

Mr. Mills testified that as commissioner, Bylaw 5 §5 has consistently been interpreted in the manner in which the facts of this case were interpreted and the rule applied. The commissioner further testified that the reason for the interpretation was that the parents of each student residing in Fayette County have a choice to send their child to a public school and thus have that child avail himself of the curriculum and program offered by that system or in the alternative, to enroll that child in a private or parochial school system and have the child avail himself of the opportunities offered within that system. If the child were allowed to enroll in one system and yet take part in the activities offered by the other system, considerable administrative difficulties could and would probably arise. In the particular instance before the

Board, the high school at which the petitioners desire to participate does not have any control over the children from the private school nor does the private school have control over these children when they leave that school to participate in athletic contests on behalf of the public high school.

The commissioner of the Kentucky High School Athletic Association is directed to interpret the by-laws and tournament rules of the Association and it has been his consistent interpretation that private or parochial school children, such as the petitioners, are not eligible to participate on behalf of a public high school.

A motion was duly made and seconded to sustain the ruling of the commissioner for the reasons he presented, as enumerated hereinabove, and upon a call for the question the motion was adopted unanimously.

The foregoing motion, passed unanimously by the Board of Control, adopted as its findings and conclusions the reasons stated by Commissioner Mills in his testimony and thus denied the petitioner's appeal.

Donna Wolfe, of the Kentucky Girls' Sports Association, appeared before the Board to discuss some of the problems that the Girls' Sports Association members have discussed at their meetings. She gave the Board a report on the success of the State Volleyball Tournament that their organization sponsored in 1978. Other items she presented to the Board for discussion was a better distribution of passes for the coaches at the Girls' State Basketball Tournament, preference in keeping the Girls' Sports Association for women coaches and the method of selecting officials for the Girls' State Basketball Tournament.

Mr. Mills gave a report on the volleyball survey that had been sent to the principals of member schools. He reported that 198 principals returned the survey forms. Seventy-two schools indicated they would sponsor a girls' team in 1979-80, 22 schools indicated they would sponsor a boys' team and 126 schools indicated that they would not sponsor a team for either boys or girls. Mr. Mills recommended that this information be presented to the Sports Committee for consideration and that a decision be made very soon to permit the schools to proceed with their plans to have a volleyball team should the Board vote to sanction volleyball as a fall sport during the 1979-80 school year.

Assistant Commissioner Billy Wise reported the attendance at the Boys' State Basketball Tournament at approximately 104,000 as compared to 84,000 in 1978. The gross receipts from the boys' tournament was approximately \$439,658.00 with expenses of \$107,426.50.

The Girls' State Basketball Tournament had an attendance of 28,753 and gross receipts of approximately \$113,064.00 with expenditures of \$61,125.55. A complete audit of both the boys and girls tournaments will appear in the August issue of the ATHLETE.

Upon a motion by Glendon Ravenscraft, seconded by Norman Passmore, the Board voted unanimously for Eastern Kentucky University, Richmond, Kentucky, to host the 1980 Girls' State Basketball Tournament.

After a lengthy discussion on the location of the 1981 Boys' State Basketball Tournament, Zeb Blankenship made the motion, seconded by Norman Passmore, that the 1981 Boys' State Basketball Tournament be held in Rupp Arena, Lexington, Kentucky. The motion carried by a vote of 5-4.

Mr. Mills presented requests from Principals of Anderson County High School and Spencer County High School that their schools be permitted to change from Basketball District 29 to District 30. Following a discussion of these requests, Barney Thweatt moved, seconded by Joseph McPherson, that Mr. Mills and J. D. Minnehan be instructed to consider these requests and report their recommendations to the Board at the next meeting. The motion carried unanimously.

Jack Burkich and Barney Thweatt were named delegate and alternate, respectively, to the forthcoming annual meeting of the National Federation.

Mr. Mills reported to the Board that the survey on classification in basketball, as requested by the Basketball Committee, is now being conducted. The results will be reported at the next meeting of the Board.

Billy Wise explained to the Board that he is presently conducting a poll among member schools concerning the assignment of district and regional basketball officials. He will report the results to the members at the next meeting.

The date for the next meeting of the Board was scheduled for Friday, July 27, 1979, 10:00 A.M., at Kenlake State Park, Aurora, Kentucky.

Denzil Barriger moved, seconded by Zeb Blankenship, that all bills of the Association for the period beginning March 1, 1979, and ending March 31, 1979, be allowed. The motion passed unanimously.

There being no further business, the meeting adjourned.

## 1978-79 ANNUAL REPORT (Presented to Delegate Assembly)

Three hundred fifteen schools joined the Association for the 1978-79 school year. Twelve of these schools enroll girls only and ten have only boys. In 1977-78, there were 313 schools, in 1976-77 there were 312, in 1975-76 there were 313.

There were 205 schools involved in football. The Classes A, AA and AAA championship games were played at Eastern Kentucky University, Richmond, and Class AAAA was played at the Fairgrounds, Louisville. Attendance was approximately 12,340 and gross receipts were \$45,012.60. Expenses involved in conducting the state football playoffs were \$25,787.38. Interest and attendance at the regional and semi-final games continued to increase resulting in greater revenue for the schools involved.

AA and A were held in Lexington at the Kentucky Horse Park.

The Wrestling program is going forward at a rapid pace. There were sixty-three schools in the eight regions with the winner and runner-up in each weight class advancing to the finals. The championship tournament was held at Atherton High School. The receipts and expenditures will be listed in the audit report in the August "ATHLETE."

In Swimming, forty-eight girls' teams and forty-nine boys' teams competed for the championships. The meets were held at Plantation Swim Club, Louisville, on February 23-24. The receipts were \$578.76 and the expenses were \$6,330.72.

There were thirteen schools with boys' Gymnastics teams and twenty-two with girls. There were two girls' regional meets held at Bates Creek High School and Southern High School, but there was not sufficient number of boys' teams to justify a regional. The state meets were at Eastern Kentucky University, Richmond on February 17. The receipts were \$212.50 and the expenses were \$2,285.81.

The approximate gross receipts from the boys' and girls' district basketball tournaments were \$457,311.90 while the regional tournaments took in \$371,144.80 for a total of \$828,456.70. Attendance at the Boys' State Tournament was approximately 103,993 as compared to 84,000 for last year. The gross receipts this year for the tournament is estimated at \$439,648.00, with expenditures approximately \$107,426.50. A complete audit will appear in the August issue of the "ATHLETE."

Registering with the officials' Division of the Association were 1,479 basketball officials, 740 football, 570 baseball at the present time and 70 wrestling. Assistant Commissioner Billy V. Wise conducted twelve clinics in football and fifteen in basketball for

officials and coaches. Assistant Commissioner Louis Stout conducted twelve clinics for baseball umpires and coaches. Out of 477 football officials that took the National Federation examination for advanced ratings, 123 became approved and 194 are certified. In basketball out of the 618 that took the test, 212 became approved and 86 are certified. One hundred eleven took the baseball test, 51 became approved and 6 are certified.

The Board of Control, the Assistant Commissioners and I are grateful for the cooperation the superintendents, principals, athletic directors and coaches have given us in running the program for the Association.
